

pontardawe film club
clwb ffilm pontardawe

Cinema for all

Why you should join: -

The Pontardawe Film Club aims to enhance the cultural life of our area by bringing independently produced films into the locality. It belongs to the British federation of Film Societies, and is governed democratically by the members through its Executive Committee.

Our membership is vital to this work. Members take part in selecting the films we show. They also take part in the social events we organise. Membership entitles you to attend all our films for free, and also entitles you to a reduced entry for other films shown commercially at the Pontardawe Arts Centre.
